CASTELLO® Bed

# CASTELLO® Bed

CASTELLO® bedding begins with our Primo Percale 200 Series and is complimented by our Classico Sateen 310 Series in plain, stripe or check. We also offer our Sateen 400-600 double yarn sheeting in our Lusso Collection, and Sateen 800-1200 quad yarn sheeting in our Grande Collection.

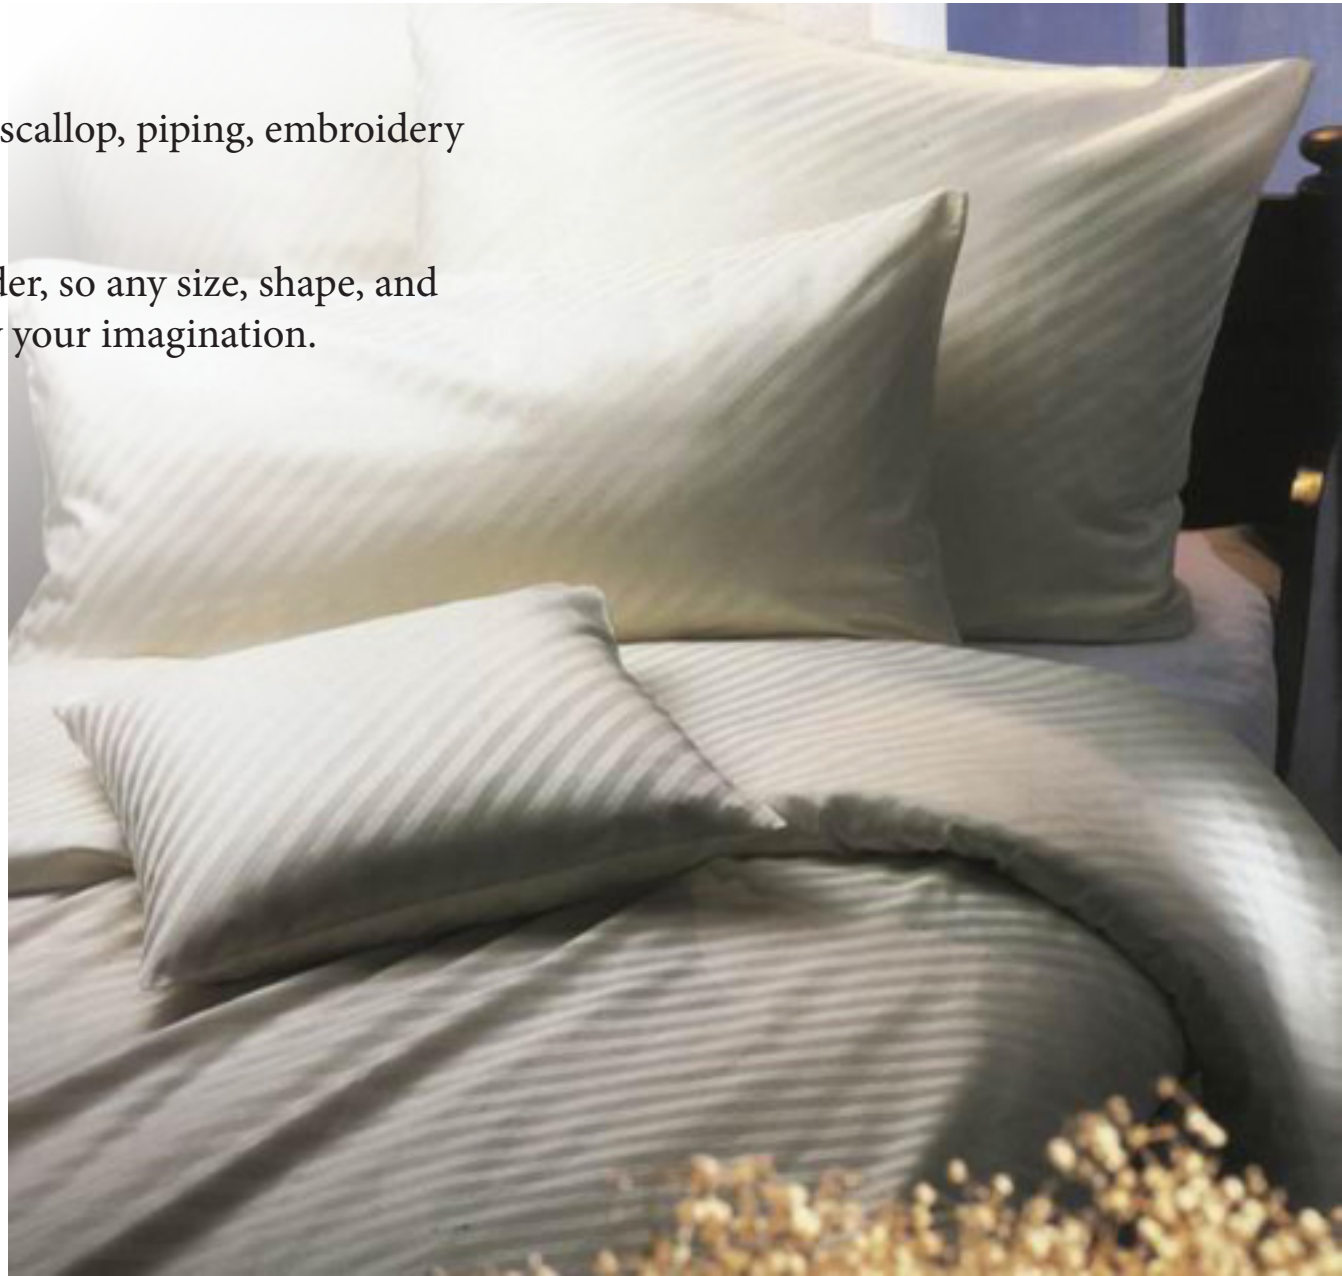

Percale weave has a soft, powdery feel. The simple one-over and one-under thread weave structure creates a matte, flat appearance with a fine texture and finish because the threads are tightly woven. Sateen weave offers a feel of elegance. The multiple thread, usually three or four, over and one-under weave results in a lustrous fabric with a smooth hand that is extremely durable.

CASTELLO® Lussuria Collection includes Jacquard or custom sheeting in Pure Masters of Linen, Alberi Wood Fiber, or Mako Combed Cotton.

CASTELLO® offers finishing stitches in scallop, piping, embroidery and hemstitch.

CASTELLO® bed linens are made to order, so any size, shape, and even color selection is governed only by your imagination.
