Piuma d'Oca Collection: CASTELLO® Down Products

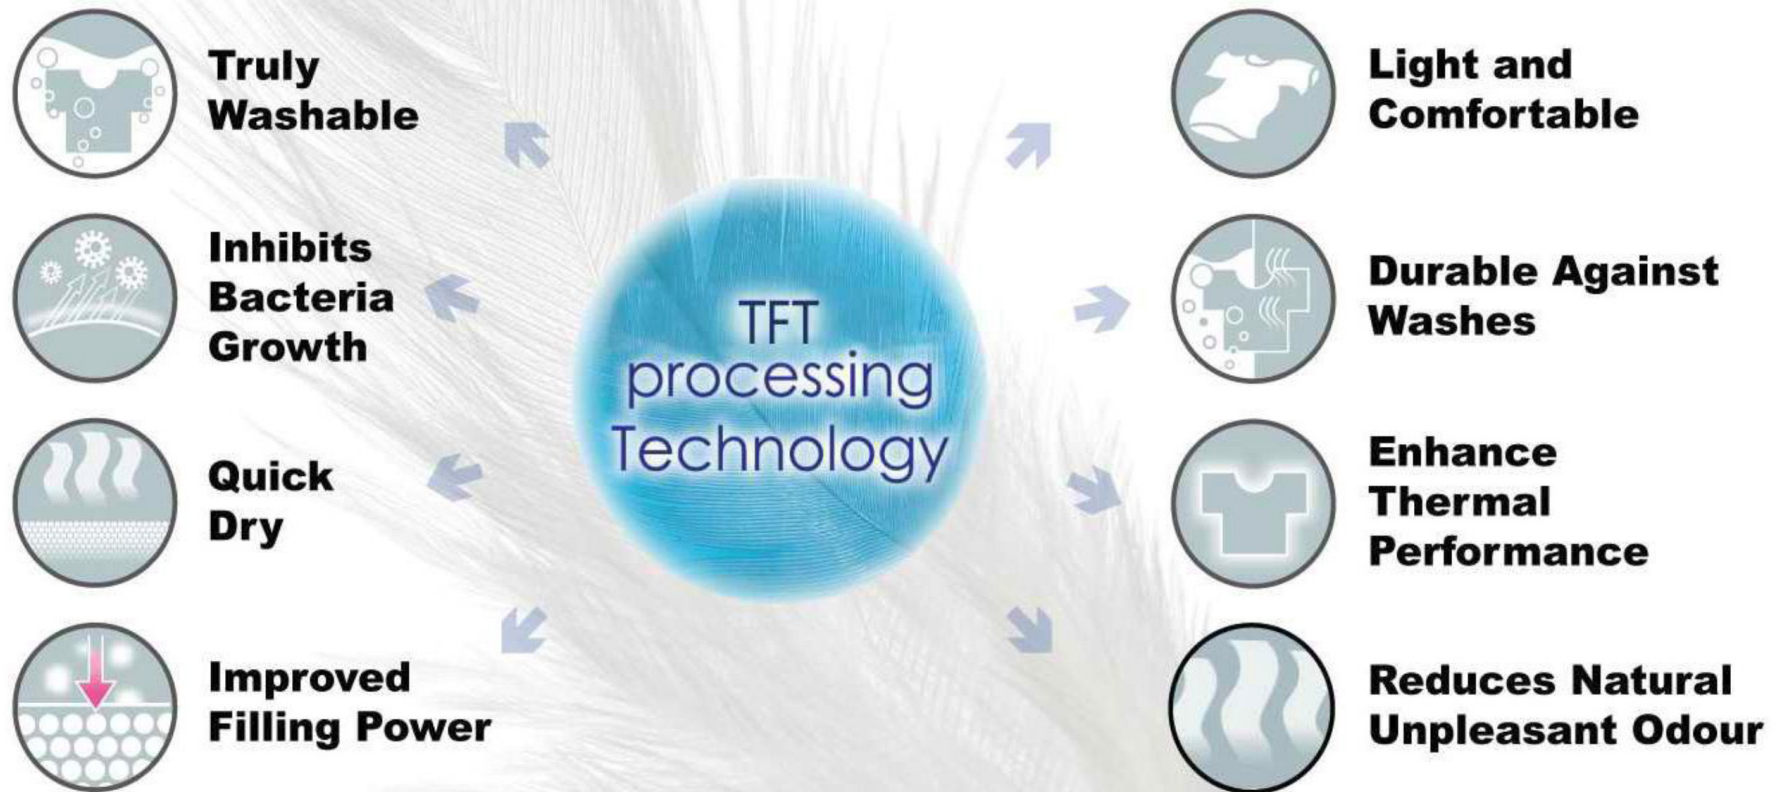

All CASTELLO® Down Products are treated with TEXTCOTE™ Feather Treatment (TFT).

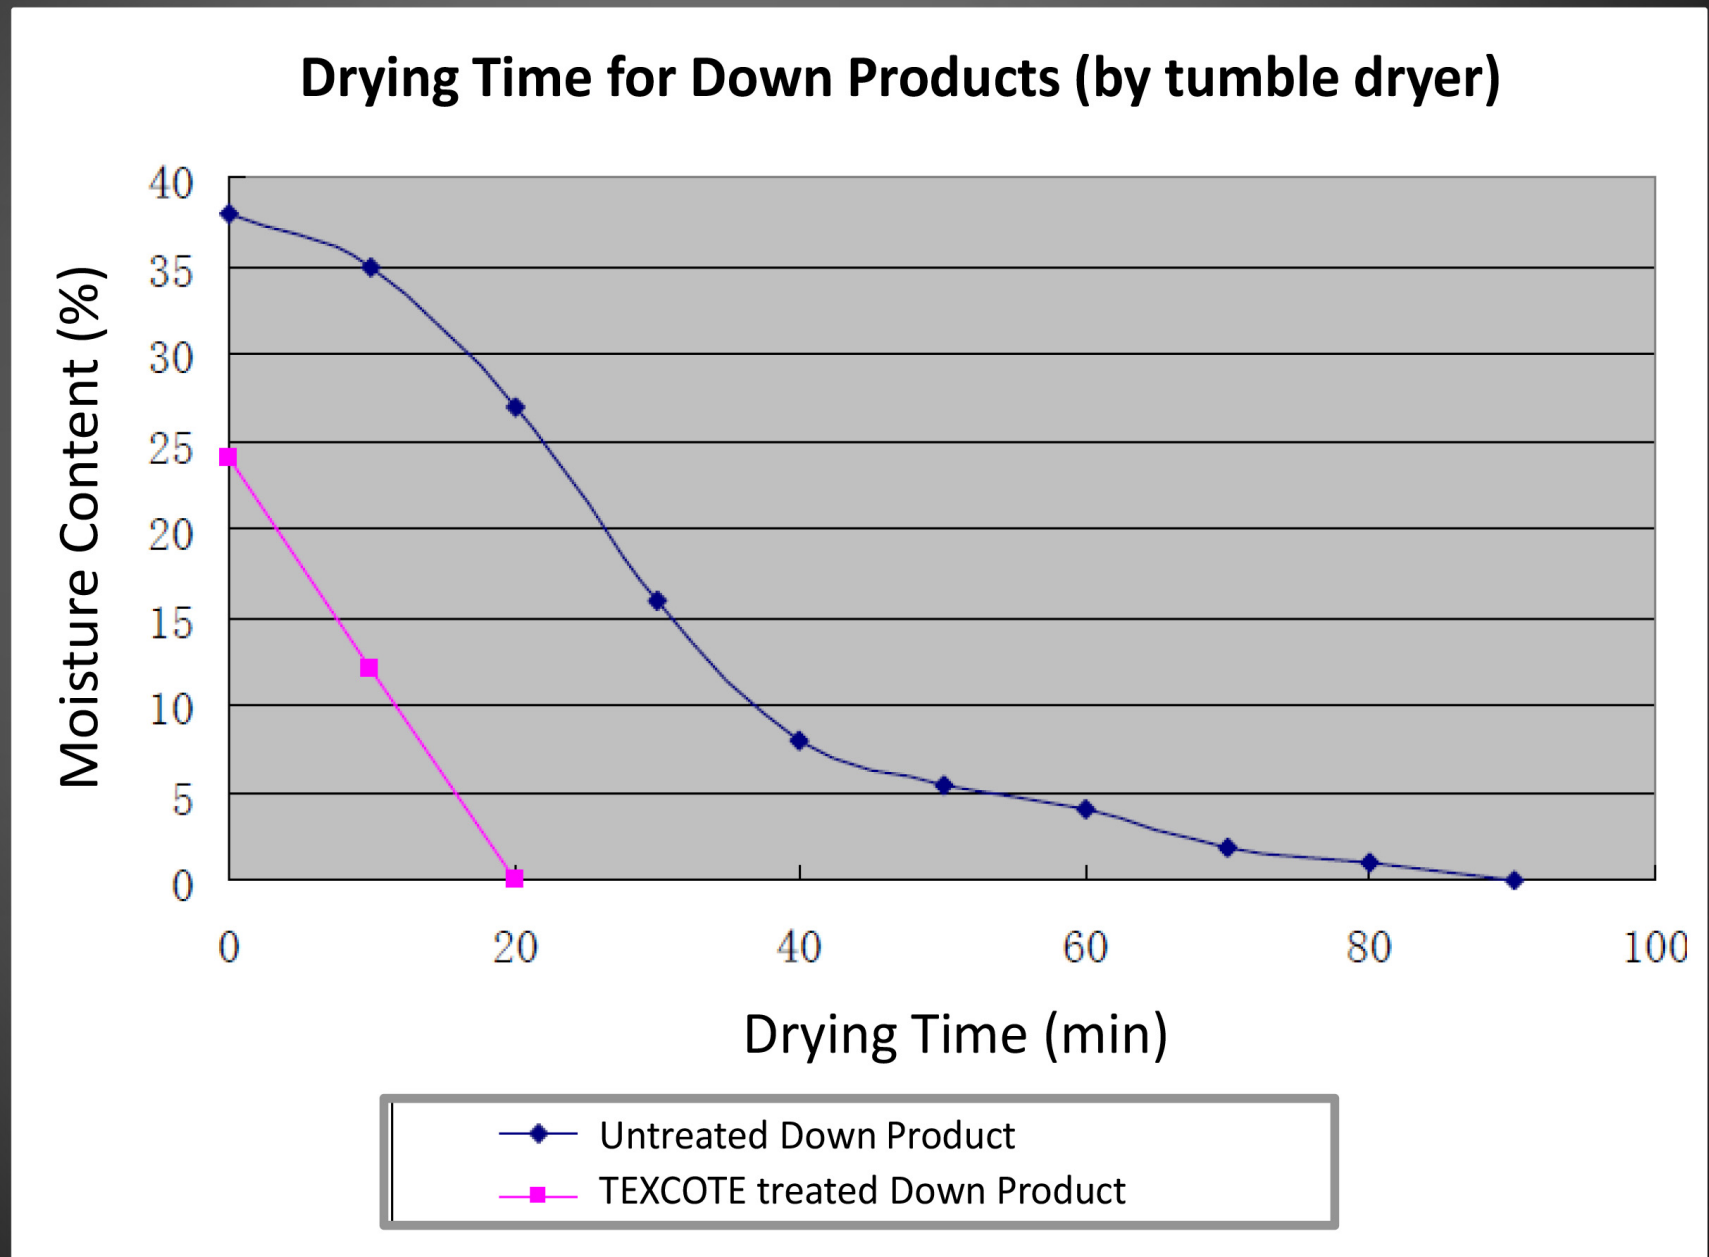

This Nano treatment originated in Sweden and uses state-of-the-art application technology on a proprietary nano-based feather fluffing chemical.

Advantages of applying FPA onto feather and down products

As a result of TEXCOTE™ Feather Treatment, CASTELLO® down products dry in less than one-third of the time of regular untreated down.

TEXCOTE™ products
have passed the
following tests.

1. Degreasing effluent turbidity and feather filling Power

Testing Agency: IDFL China
Testing Standard: NTU/LORCH CYLINDER (TUMBLE DRY)
Testing Result: Effluent turbidity of a treated item decreases to less than 1 NTU and the filling power increases by 17%

2. Microbiological Evaluation

Testing Agency: IDFL China
Testing Standard: EN1884
Testing Result: Passed

3. Bacteria Growth Inhibition

Testing Agency: SGS (Hong Kong Branch)
Testing Standard: ASTM2149-001
Testing Result: No bacteria growth

4. Quick-drying Ability

Testing Agency: Texcote Laboratory
Testing Standard: Household tumble dryer (internal test method)
Testing Result: Drying time shortened by > 75%

5. Moisture Content

Testing Agency: Texcote Laboratory
Testing Method: Weight specimen until consistant (internal test method.)
Testing Result: There is no difference in moisture content between a treated down and an untreated down

6. Durability Laboratory

Testing Agency: Texcote Laboratory
Testing Method: Wobbler machine JS standard
Testing Result: The properties of a treated down remain unchanged after the down has been washed 15 times

7. Thermal Retention

Testing Agency: Texcote Laboratory
Testing Method: Thermal insulation function (internal test method)
Testing Result: The thermal retention power of a treated down is at least 20% higher than an untreated down

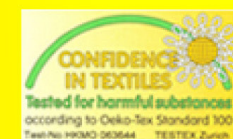

8. Skin Sensitization

Testing Agency: Denmark SCANTOX skin test
Testing Standard: THE GUINEA PIG MAXIMIZATION TEST
Testing Result: Chemical has no harmful effects on skin

9. Human-ecological Requirements

Testing Agency: TESTEX (Switzerland)
Testing Standard: OEKO-TEX STANDARD 100
Testing Result: In line with international standards

Piuma d'Oca Collection:

CASTELLO® Pillows and Duvets are available in the following ratios of White Goose Down-to-Feather:

- 10-90
- 25-75
- 80-20
- 90-10

Pillows

Size	Weight
25x25	34oz
20x26	28oz
20x30	32oz
20x36	36oz

Duvets

Size	Weight
60x86	28oz
86x86	40oz
102x86	50oz
96x90	50oz

All pillows and duvets are covered in our down-proof Sateen T300 shell.

Piuma d'Oca Collection:

CASTELLO® White Duck Feather Beds have a 3.5" gusset and are covered in our 100% cotton Percale T233 shell.

White Duck Feather

Feather Beds

Size	Weight
39x75	16 lbs or 5 lbs
54x75	21 lbs or 10 lbs
60x80	25 lbs or 11 lbs
78x80	30 lbs or 14 lbs

Poly Fill available.
